

Privacy Policy

Last Updated: July 16, 2026

Introduction

Welcome to Dual Duels ("the Game"). This Privacy Policy explains what information is collected, how it is used, and your choices when using the Game.

Dual Duels is owned and operated by **Jason Tsebayo Wakholi**.

By using the Game, you agree to this Privacy Policy.

Information We Collect

Gameplay Information

To provide the multiplayer experience, Dual Duels stores certain gameplay information, including:

- Match information
- Game statistics
- Match history

This information is used solely to operate and improve gameplay.

Cookies

Dual Duels uses essential cookies required for the Game to function properly.

These cookies are used to:

- Track previously used question indexes to reduce repetition.
- Maintain necessary session-related game information.

These cookies are not used for advertising or behavioral tracking.

Technical Information

When you access the Game, basic technical information such as IP addresses and standard server logs may be processed automatically by the hosting infrastructure to operate, secure, and maintain the service.

Information We Do Not Collect

At this time, Dual Duels does **not** require user accounts and does **not** intentionally collect:

- Names
 - Email addresses (except if you voluntarily contact us)
 - Phone numbers
 - Payment information
 - Device location
 - Chat messages
 - Voice communications
-

Multiplayer Features

Dual Duels is an online multiplayer game.

The Game stores match information necessary for gameplay and allows players to invite others into games. The Game does not provide text or voice chat.

Analytics

Dual Duels does not currently use third-party analytics services.

Advertising

Dual Duels does not currently display advertisements or use advertising networks.

Payments

Dual Duels does not currently process payments or sell digital purchases.

Data Storage

Game data is hosted on infrastructure provided by DigitalOcean.

Reasonable measures are taken to protect stored information; however, no method of internet transmission or electronic storage can be guaranteed to be completely secure.

Children

Dual Duels is intended for users aged **13 years and older**.

The Game is not intended for children under the age of 13.

Third-Party Services

Dual Duels currently relies on the following third-party service:

- DigitalOcean (hosting infrastructure)

These providers may process technical information necessary to deliver the service.

Your Choices

Because Dual Duels currently operates without user accounts, there are no account management features such as downloading, correcting, or deleting account information.

You may stop using the Game at any time.

Future Changes

As Dual Duels evolves, features such as user accounts, analytics, advertising, or payment systems may be introduced.

If these changes affect how personal information is collected or used, this Privacy Policy will be updated before those features become active. Continued use of the Game after an updated Privacy Policy becomes effective constitutes acceptance of the revised policy.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time.

The "Last Updated" date at the top of this document indicates when the latest changes were made.
